## Jason and Elihu *A Fisherman's Story*

As soon as Jason hears the legend of Elihu, he knows he must catch the great fish. But Old Snout, the gator, guards Elihu. Legend says, too, that whenever Elihu is hooked, the bass whispers a secret.

*Reading Level 4.3 Ages 8 and Up*

## Jason and Elihu Activities and Sign Up Sheet

1. Keep track of characters for the Character Collage project we will do after we finish the novel. (list name and page number of description) as Mrs. Harrell reads.
2. Keep track of funny words as Mrs. Harrell reads because we want to laugh again and again. (list word and page number)
3. As Mrs. Harrell reads, keep track of the wonderful descriptions that Ms. Mickle uses. (list beginning words and page number)
4. *"Tell me something I don't know"* about these things. Research and make 5-10 power point slides on which you present 5-10 cool facts and/or findings to the class and to me. (We'll e-mail the finished power points to Ms. Mickle and to Ms. Wich-terman too) We will also compile our funny words and descriptions to send. We will copy and send our best Character Collages and artistic representations of the descriptions as well. This should be fun! Here are the research items:

- Large mouth bass
- Fishing lures
- Orange Lake
- Miniature horses
- Brain tumors
- Hydrilla
- Taxidermy
- Foster care
- Alligators
- Eagles
- Jon boats
- Fish and Game wardens
